Norwegian Bliss

Norwegian Bliss is a stunning cruise ship that offers an unforgettable experience on the high seas. Launched in 2018, this impressive vessel features a range of luxurious amenities, including spacious staterooms, diverse dining options, and an expansive spa. One of its standout features is the observation lounge, providing breathtaking panoramic views of the ocean and ports of call. Onboard entertainment includes thrilling shows, live music, and a variety of activities, from water slides to laser tag. With itineraries that span beautiful destinations in Alaska, the Caribbean, and beyond, Norwegian Bliss promises an exciting adventure for travelers of all ages. Whether you're seeking relaxation or adventure, this ship has something for everyone.

April 1, 2025

Dear Valued Customer:

ADC and our supporting vendors are pleased to announce the 2025 Marketing Incentive Program: Rewards Platinum. You have an opportunity to win a cruise for two on the beautiful Norwegian Bliss for an Alaskan Cruise.

All ADC customers in good standing during the promotion and at the time of the trip will be eligible. All participants must be the owner, or supervisor with the owner's permission. Travelers must be at least 21 years old.

Here's how you may win . . .

- Enroll in **Rewards Platinum - Alaskan Cruise**—ask your ADC sales rep for details.
- For every 1,000 points earned, you will receive one chance to win. Points are earned for every dollar spent from the 2025 Rewards Platinum book.
- For some items, \$1 spent equals 1 point. For other products, there are point multipliers, making that \$1 spent worth 2, 5, 8, 12, 16 or up to 20 points.
- For example, a shipper is priced at \$99.00 and has a Total Point Multiplier of 3 (99 x 3) will be 297 points.
- Point multipliers are highlighted within a starburst in the Rewards Platinum book.
- Pay attention to those items that give the greatest number of chances.

Thank you in advance for your participation.

We hope to see you there!

Sincerely yours,

Ricky Jones
President
